PROFESSIONAL SUMMARY

I am the first woman to be graded and qualify as a Stunt Coordinator in New Zealand. I have been a Stunt Performer/Lead Stunt Double in New Zealand for 24 years and I am a current council member of the Stunt Guild of New Zealand. I have also been a member of the Australian Stunt Register of the MEAA since 2001. I am very passionate about the creative process of filmmaking, especially the physical nature of action and performance. My passion combined with experience contributes a safe and supportive approach to achieve the Director's vision. This requires working with Actors and Stunt Performers with varying skill, experience and confidence to achieve the desired action and aesthetic together. I have onset experience on every type of show as a Stunt Coordinator, Lead Stunt Double and Stunt Actor - including Feature Films, Telemovies, TV Series, TVC's, Short Films and Theatre shows. I am open to working in other departments as a Coordinator as I was an Animal Department Coordinator on a film made in Fiji recently and it was a very successful crossover.
